Highly ripe grapes from protected south-facing were selected by hand and pressed after two days of maceration. The maturation took place over more than 10 months in oak barrels. The wine presents itself in strong amber color. The palate is dominated by mineral richness combined with mild acidity and fascinating aromas of hazelnut, plum and cinnamon. Balanced tannins and creamy texture with a dry finish make the wine an excellent companion of spicy matured cheeses, as well as desserts with nuts, nougat, coffee and caramelized fruits.
